(Compressed video course - $15/credit technology fee) Emphasizes algebraic techniques with polynomials, fractional expressions, exponents and radicals, linear and quadratic equations, and inequalities. Introduction to functions, their graphs and analytic geometry. Prereq: A grade of C or better in Elementary Algebra or MAT 103A or placement based on placement test score. EL

REGISTRATION INFORMATION
To register for on-campus or a combination of on-campus and online courses:

Students enrolled at UW-BC for the spring semester 2016 can register for on-campus courses on PRISM beginning March 1, 2016. All other students should apply online to UW-Barron County at apply.wisconsin.edu. Registration instructions will be sent with an admission letter.

Students registering for online courses in addition to on-campus courses should visit online.uwc.edu for additional important information regarding tuition, fee payment, textbooks, etc. Students registering for online courses only should apply as an online student. See information at online.uwc.edu.
