Read through all of your paperwork to make sure all of the information is correct, including your name and date of birth.

**Form I-94**

The Form I-94, “Arrival/Departure Record” is a critical record. It shows that you have been legally admitted to the United States, why you were allowed to enter the U.S., and how long you may stay. It is very important that the information on the record is correct, so please check it carefully.

When you arrive at the port of entry by air, an automated Form I-94 record will automatically be generated for you by U.S. Customs and Border Protection (CBP) officers. CBP will provide you with an admission stamp on your passport which shows the date of admission, class of admission and admitted-until date. This electronic arrival/departure record can be obtained at [cbp.gov/I94](http://cbp.gov/I94).
