Do you enjoy chess? Maybe you want to learn or improve your strategies? Join the Charger Chess Club. Our club allows you to cultivate your chess playing skills in a casual, fun atmosphere. Not only can you become a better player, but this is a great way to meet other chess players from the local area. Players of all skill levels are welcome, as are those who simply want to learn how to play. For more information, contact club advisor Dr. Eric Kasper at eric.kasper@uwc.edu.

Survival Japanese
8 Sessions // March 4 - Apr 29 (skipping March 18)
6:00-7:00 PM
Ritzinger Hall Room 237
Fee: $39
This course will introduce you to Japanese culture through “survival Japanese” and useful phrases, basic sentence structure, and the Japanese syllabary, numbers, and other basic kanji. Your instructor is Lee Friederich. Lee has lived in and around Tokyo for approximately eight of the past twenty years and will be leading a Study Abroad for students in the UW Colleges and community members to work on playground construction in the tsunami zone of Northeastern Japan this May - see page 2. She holds a Ph.D. from Washington University in St. Louis in Japanese Language and Literature, where she focused on contemporary Japanese women poets.

How to Play the Piano by Ear
April 12 // 1:00 PM – 3:30 PM
Fine Arts Building Music Room
Fee: $30 plus $29 for materials fee
PREREQUISITE: Basic understanding of piano chords.
This workshop shows you the inside secrets professional piano players use (but never reveal). You'll learn how to pick tunes right out of your head. You'll learn how to get songs off a recording. You'll even learn how to transpose. This workshop goes beyond mere “ear training,” You’ll get information found nowhere else, and you'll be picking out tunes by ear—with both hands—from the very first day.

Instant Piano for Hopelessly Busy People
April 12
9:00 AM – 12:00 PM
Fine Arts Building Music Room
Fee: $30 plus $29 for materials fee
PREREQUISITE: Ability to read the treble clef
Some music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key.

Beginning Guitar
8 Sessions // March 5 - April 23
6:30-7:00 PM
Fine Arts Building

Three Ways of Seeing - Engaging Nature through Biology, Creative Writing, and Visual Art

3 Sessions // May 31, June 7, and June 14 9:00 AM - 1:00 PM
Ritzinger Hall Room 227 Fee: $89
This unique course will allow participants of any ability, from 8th graders to adults, to take a close up and in-depth look at a variety of natural environments and species, transforming scientific observations into creative writing and drawings. In the first third of each class meeting, students will learn new ways of seeing nature with UW-Barron County biology professor Tracy White, during explorations of the ecosystems of the river and woods, and the life cycle of flowers. In the second third of each meeting, UW-BC creative writing professor Joel Friederich will lead workshops in writing original pieces of poetry or short prose based on observations of nature. In the final third of each meeting, UW-BC art professor Ginnie Baer will help students portray their observations of nature through drawings and sketches. At the end of the course, students will each make their own unique field journal filled with original art and poetry or short prose pieces that they have created. Participants will select and provide their own materials for making their field journals.

Your instructors for this class are three outstanding UW faculty members: Joel Friederich, Assistant Professor of English and Communication; Tracy White, Associate Professor of Biological Sciences; and Ginnie Baer, Assistant Professor of Art.

Introduction to Abstract Painting

4 Sessions // June 3, 5, 10, 12 5:00-8:00 PM
Fine Arts Building - Art Room Fee: $49
Abstract painting is a language. If you are curious about how to communicate in this language, this is the course for you. This course will introduce students to various ideas and techniques associated with abstract painting. Students may pull inspiration from personal experience, nature and the visible world, dreams, and the history of abstract painting. Basics of design will be utilized to create expressive and successful compositions. No previous art experience needed. Art supplies will be required including paints, brushes, and supports. Full list available upon enrollment. Ginnie Baer is an Assistant Professor of Art at the University of Wisconsin – Barron County. Ginnie obtained her Bachelor of Fine Arts degree (Painting and Drawing) from the Ohio State University and her MFA (Painting and Printmaking) from Virginia Commonwealth University. She is an artist who specializes in painting and drawing. She has experience teaching beginners as well as more advanced students. Her work has been shown nationally including exhibitions in New York, Los Angeles, Columbus, OH and Richmond, VA.

Travel

Service - Learning in the Tsunami Zone of Japan

This international service-learning project will allow you to travel to Japan to participate in cleanup and rebuilding projects in the tsunami zone. The pre-travel learning component of the course will cover specific information and background about the disaster that happened in Japan in 2010, with special emphasis on tsunami, its damage, Japanese culture, traditions, and language. You will spend two days in Tokyo and participate in a service-learning project on the east coast of Japan in Ishinomaki, Miyagi Prefecture.

**Beginning Yoga**
7 Sessions
Jan 28 - Mar 11
6:00 – 7:00 AM
Student Center – Osprey Room
Fee: $49

This class is designed for those who are new to yoga, or have practiced a few times either with a teacher or a video. The class will introduce the beginning student to yoga stretches and postures to increase flexibility, strength, endurance, poise, and balance. Emphasis will be placed on yogic breathing to build focus and concentration and to unite the body, mind, and spirit. Each class will offer an opportunity to move the muscles, juice all the joints, and balance the body front and back, side to side. Particular attention will be paid to alignment. Additionally, deep, relaxing, calming breath work will be introduced to help with concentration. Modifications will be offered. Please be sure to bring a yoga mat, blocks if you have them, and a water bottle to each class. Yoga Alliance Registered Yoga Teacher Patty McGown will be your instructor.

**Intermediate Yoga**
7 Sessions
Jan 30 - March 13
6:00 – 7:00 AM
Student Center – Osprey Room
Fee: $49

This class is moderately paced so come prepared to move your body and deepen your practice! The class will consist of centering, warm-ups including sun salutations with some flow, standing and balancing postures, twists, and end with a resting pose. The class will utilize yoga stretches and postures to increase flexibility, strength, endurance, poise, and balance. Emphasis will be on proper yogic breathing to build focus and concentration and to unite the body, mind, and spirit. Through movement, each time we meet, we will move all the muscles of the body, juice all the joints, and balance the body front and back, side to side. Particular attention will be paid to alignment. Additionally, deep, relaxing, calming breath work will be introduced to encourage increased concentration. For this class, previous yoga practice is required. However, modifications will be offered throughout the class to honor the student listening to their body. Please be sure to bring a yoga mat, blocks if you have them, and a water bottle to each class. Yoga Alliance Registered Yoga Teacher Patty McGown will be your instructor.

**Qi Gong**
7 Sessions // Feb 5 - Mar 26 (skipping March 19)
6:00 – 7:00 PM
Ritzinger Hall Science Commons
Fee: $39

By doing a series of gentle movements with attention to breathing and posture qi gong reduces stress, helps one feel calm yet energized. Qi gong is easy to do and works for all ages and levels. One can even do qi gong while sitting if needed. In other countries many elderly people practice qi gong for health and vitality. It’s a bit like tai chi but easier and much easier than yoga. Your instructor is Sarah Bennett. Sarah is the Assistant Math Professor at UW-Barron County. Sarah teaches Qi Gong because she finds it valuable to enrich her everyday life, so she invites others to try it for themselves. Sarah says “I hope you will join me and see how calming, fun, and healthy this simple practice can be.”

Coming Spring 2015
Shangri-la from China
Experience Shangri-la, a joyful vocal ensemble renowned in China,
as it brings to life the traditional mountain songs and dance of Yunnan Province.

Over the next two years, we will
be privileged to host 4 different
professional global performers.
Each ensemble will spend the
week in residence with area
k-12 school districts sharing
music, language and culture.
The series continues this spring
with Baladino from Israel.
Other groups will come from
Brazil and China.

For more information about
Arts Midwest World Fest,
contact the campus at
715-234-8176 Ext 5403.
