Ballroom Dance Level I
Don’t just watch the stars dance, learn how to move around the dance floor in this fun dance class. Whether you’re just beginning ballroom dancing, or would like to brush up on your basic dance moves, this dance class is for you. You’ll learn the swing, waltz and rumba, while you stay in shape and socialize. Register early as class size is limited.

Tuesdays // April 12, 19, 26, May 3 & 10 // 6:00-7:15 PM
Meggers Hall Commons // $59 per person

Ballroom Dance Level II
This class is designed for those with some ballroom dance experience. Time will be spent on emphasizing leading and following skills along with adding new patterns. Enhance the movement of your dancing by learning to develop the advanced techniques used by the experts. Dances covered will be chosen by the participants.

Tuesdays // April 12, 19, 26, May 3 & 10 // 7:15 – 8:30 PM
Meggers Hall Commons // $59 per person

Your Ballroom Dance instructors are Dave & Karen Goggin from the Eau Claire area. They have over 30 combined years of professional teaching experience in Ballroom & Latin dancing. They teach a combination of private and group lessons in the Eau Claire, Chippewa Falls, and Marshfield areas. Dave and Karen welcome singles and couples into their classes and take a personal interest in making sure everyone, including novice and experienced participants, have fun while learning.

Popular Instrument Lessons for Beginners
See how easy it can be to learn to play popular songs in these small group lessons for guitar, ukulele, mandolin or banjo. You will be introduced to the beginner chords, scales, and playing techniques. Plus you will learn proper instrument position, study basic music theory and start to understand why and when notes are played.

Your instructor, Roger Harrison, is a seasoned and versatile musician. He joined the Musicians’ Union at the young age of 13 and has been teaching others to make music for many years. Playing in his family band, Roger has performed as the opening act for Conway Twitty, Jerry Lee Lewis, Hank Williams Jr. and other nationally known performers.

Get ready for the Angel Ball at UW-BC on December 2. Register for Ballroom Dance and brush up on those moves!
Red Cedar Choir

The Red Cedar Choir is a partnership with the UW-BC Music Department and surrounding communities. You will have the incredible opportunity to sing and be part of one of the best choirs in the area. It is open to all community members, high school age and older. An audition may be required for new members. The choir is under the direction of Beth Joosten. Joosten has been a resident of the area since 1974. She presently teaches various music courses at UW-BC and also teaches vocal and general music at Cameron Middle School and High School. Joosten has been the director of the Red Cedar Choir since 2012.

UW-BC Youth Basketball Clinic

Jeff Olson is back to lead our spring basketball camp at UW-BC! Players and parents alike appreciate his teaching of basketball technique and drills to improve player skills. This camp will focus specifically on offense and shooting technique. If you are a highly skilled player or are only beginning to learn the game, you will benefit greatly from Jeff’s coaching and his ability to inspire young athletes.

During Jeff’s 30 plus years of coaching he has led clinics throughout the Midwest and in the states of Georgia, Oregon, Washington, & Alaska, and has taken teams to play in Europe & Australia. He has coached boys and girls at the 5th grade, middle school and high school levels. He also coached at the college level where he led his team to a district championship, and was honored as NAIA District II Coach of the Year in only his third year at Warner Pacific College in Portland, Oregon. In 2012 he led the UW-BC women’s basketball team to the Wisconsin final four; only its second final four in the program’s history.

FOR THE FUN OF IT!

Maple Syrup Making: What makes it so mmm...good?

Ever wonder why trees produce sap? Or how trees are tapped? Or how maple syrup is made? We’ll present the theory behind maple syrup production as well as show you how it is done and how your family can make their own maple syrup from the trees on your property.

In Session One we’ll discuss the techniques of collecting sap and making maple syrup for the beginner. Topics include what trees to tap, tapping and sap collection methods, cooking maple syrup, grading and packaging the finished product as maple syrup or other maple confections. Session Two will be held at Anderson’s Maple Syrup facility in Cumberland where you’ll learn about maple equipment, the supplies that are used, and how they bottle syrup on a large scale.

Your instructor, Ted Simpson, is the Vice President of Wisconsin Maple Syrup Producers Association and part owner of Simpson’s Rock Ridge Maple Syrup located west of Rice Lake, Wisconsin. The Simpson family has been making maple syrup since the 1920s. You can learn more about their operation by visiting their website at www.rmaplesyrup.com.

DECEMBER 2
Community Connections

With its growing number of international students on campus, UW-Barron County invites community members to participate in their Community Connections program. You can make a small or large commitment by taking students out to a movie, a concert, a walk by the Red Cedar River, or a meal in your home with your family. Some have shared canoe rides, ice-fishing, BBQ and holiday parties with our students. Befriending an international student is a great way for your family to get to know someone from another culture and to share your own. We especially need people to reach out to students in late August and September and then in December and January. For more information, contact the International Program Coordinators, Mary Hankins (mary.hankins@uwc.edu) or Lee Friederich (lee.friederich@uwc.edu).

Alliance

Alliance is a social, emotional, and educational support group for gay, lesbian, bisexual, transgender, queer and ally populations on campus and in the surrounding communities. Alliance also acts as an educational student organization to provide greater awareness of the issues that concern the members, the university, and surrounding communities. For more information, contact the UW-BC student advisor, Chris Wylie at: christopher.wylie@uwc.edu.

Right from the Start—Focused on the Finish
Earn a Quality UW Degree Close to Home

Start your associate degree—and now finish your bachelor degree—at YOUR University of Wisconsin in Northwest Wisconsin.

Individualized career and degree advice starts you in the right direction and helps you finish what you started. On campus, online, day and evening courses – a variety of formats to fit your schedule and preferred learning style.

Complete your UW-BC or Wisconsin Technical College associate degree with the Bachelor of Applied Arts and Sciences degree (other associate degrees may also be eligible).

Core campus courses provide skills employers tell us they want. More than 100 UW online partner courses allow you to tailor your degree to professional or personal goals or focus on courses you and your employer decide will be best for your advancement.

Another feature is professional experience—explore and expand networking and career options through service learning, internship, and capstone courses.

BAAS is an individualized degree shaped to fit your career goals. You can also choose a concentration in fields such as communication, business, leadership and organizational development, health and wellness, or sustainability.

For a customized advising appointment, contact UW- Barron County Student Services at 715-234-8176, prompt #1, or email kelli.collier@uwc.edu or deborah.neuheisel@uwc.edu.

Congratulations to the first UW-BC BAAS graduates: Alex Doe, Brent Huset, and Nicole King
